SIR,

Adverting to the Government of Madras G. O. No. 846, dated the 17th October, 1918, I have the honour to say that the Branch-office at Shiradi which was opened experimentally on the 1st January, 1915, for the convenience of the police station located there, was made permanent from the 1st July, 1915, on the recommendation of the Government of Madras. When the police station was subsequently removed to Kadaba, the Collector, South Kanara, required an office to be opened there. The Collector was then asked in this office No. EC-2762, dated the 22nd April, 1918, (copy enclosed for ready reference), whether in the event of an office being opened at Kadaba, the branch-office at Shiradi might be closed. In his letter No. 1521-D/Rev. 18, dated the 26th May, 1918, forwarded with your endorsement No. 4751-1, dated the 8th June, 1918, he stated in reply that the closing of the post office at Shiradi, subsequent to the date on which the police station was removed, was unobjectionable, as one was not essential there. Accordingly when the police station was removed to Kadaba a post office was duly opened at Kadaba and the branch-office at Shiradi was closed. The Collector, South Kanara, forwarding a petition dated the 9th March, 1919, from the District Superintendent of Police, states in his

letter No.1437/Rev.-19, dated the 24th June, 1919, to the Superintendent of post offices, Malabar division, that a branch-office at Shiradi is still necessary on administrative grounds (copies enclosed). I request that you will kindly let me know the views of the Madras Government in the matter.

I have the honour to be,

Sir,

Your most obedient serval

for Dy. Postmaster-General.

Copy of a communication No.EC-2762, , *dated* the 22nd April, 1918,
from the Postmaster-General, Madras,
to the Collector of South Kanara, Mangalore.

With reference to your letter No.Dis-3413, dated the 6th December, 1917, I have the honour to say that the branch-office at Shiradi was opened on administrative -- grounds solely for the benefit of the police station there and that, if, as has now been decided, the police station is removed, to Kadaba, the necessity for maintaining a post office at Shiradi will probably cease to exist. Moreover the Shiradi branch-office is not even now self-supporting. I shall be much obliged therefore, if you will kindly let me know whether the branch-office at Shiradi may be closed in the event of a separate office being opened at Kadaba, as recommended by you.

2. I also request you kindly to intimate the -- actual date on which the police station will be removed to Kadaba to enable this Department to make the necessary -- arrangements for opening a post office at this village on the closure of the Shiradi post office.

3. If you agree to these arrangements I request that the necessary application may be made through the -- Madras Government as required by the Resolution of the -- Government of India, No.6590-A, dated the 26th November, 1906

To

The District Superintendent of Police,

South Kanara District, Mangalore,

Through

The Inspector of Police,

Puttur circle, Puttur.

Sir,

I beg to submit that orders have been received in the Puttur post office to open a branch post office at Kadaba from the 16th instant, and at the same time orders have also been received to the effect that the post office at Shiradi to be closed from the 16th instant. In this case much inconvenience will have to be felt to the Shiradi out-post to send the diaries to Kadaba station.

The distance from Shiradi to Kadaba, through the short cut is about 11 miles and being interior, it would be difficult to go for one constable from Shiradi to Kadaba and to return by one day. During monsoon there are two rivers to cross and one will have to go walking about 16 miles through the road, and it is not possible then to go through the short cut.

I, therefore, pray that the postal authorities may be kindly addressed through the District Magistrate to retain a post office at Shiradi.

I beg to remain,
Sir,
Your most obedient servant,

Kadaba station,
Dated the 9th March, 1919

(sd) C. D'Souza,
S. I. of Police,
Kadaba station.

Submitted. As there is an outpost at Shiradi, a post office is quite necessary there and therefore, I beg to submit that the postal authorities may be moved to retain the post office at Shiradi and open a new post office at Kadaba.

[Re-establishment of the Branch post office at Shiradi.]

(Hdp 1-6 cf)
[C No. 7691]

From the P. M. G. No. E.B. 2762 dt 17. XII. 19

For the Vice

In September 1918 the Board of Rev recommended that the Branch post office at Shiradi which was solely opened for the convenience of the police station located there should not be closed on the removal of that station to Kadaba as the retention of the post office was necessary in the interest of the Forest department. In pursuance of the above recommendation the Govt sanctioned the re-establishment of this office:— vide Govt. No. 8246-Fin. dt 17. X. 1918. From the P. M. G's present communication it seems that the above decision has not yet been given effect to. After the lapse of more than a year he now wishes to ascertain whether the said office is deemed essential

The reasons that led up to the order of Cr Govt

are clearly explained in the reference from the Board of Revenue No. 2156-82/18-1 dt 3.9.1918 on the subject a copy of which may now be communicated to the P. W. Q. Further the retention of the office at Shiradi appears desirable even from a Police point of view:- vide Collector's letter No. Dis 1437/To Rev 19 dt 24.6.19 on page 6 c.f.

It is submitted that the P. W. Q. may therefore be informed that the office is necessary on administrative grounds. A draft order is submitted which, if approved, may be sent to the Home (Jud) and Revenue Depts for acceptance.
